Thanks for your interest in partnering with the American Motorcyclist Association!

The AMA is the premier organization that works to protect motorcyclists' rights and provide riding and racing opportunities for members. We're glad you're with us.

Included is information on the benefits of being chartered with the AMA. In addition, there is information on the ways that your organization can support the AMA. Whatever charter you choose, one of the most important benefits is that your charter supports the mission of the AMA to promote the motorcycling lifestyle and protect the future of motorcycling.

You'll also find information to help you achieve your goals quickly and effectively. As always, thank you for your support of the AMA.

## What does it mean to charter with the AMA?

A charter is a formal agreement between the AMA and your organization to uphold the AMA's mission and standards for event operation. AMA members enjoy quality events and social gatherings hosted by AMA-chartered clubs and promoters.

Visit [americanmotorcyclist.com](http://americanmotorcyclist.com) > Organizer Resources > Resources and Forms to view the requirements to charter your organization with the AMA.

## What type of charter is right for my organization?

The AMA has several types of charters available that generally fall into two categories:

- Organizations that plan to host events
- Organizations that don't plan to sanction events

## AMA CLUBS THAT DO NOT SANCTION EVENTS

If your organization does not plan to sanction events, charter with the AMA as a social club, historic club or a service organization. Benefits of sanctioning this way include:

- Helping to protect motorcyclists' right to ride by supporting the AMA in a meaningful way.
- Club recognition on [www.americanmotorcyclist.com](http://www.americanmotorcyclist.com).
- Free annual AMA Service and AMA Safety award plaques, a long-standing tradition of the AMA.
- Annual AMA charter certificate.
- AMA-chartered club patches, available only for purchase by chartered clubs.

## AMA ORGANIZATIONS THAT SANCTION EVENTS

Secure a club sanctioning, service promoter or a promoter charter if your organization plans to sanction events.

- Helping to protect motorcyclists' right to ride by supporting the AMA in a meaningful way.
- Recognition of your organization on the AMA website.
- Free annual AMA Service and AMA Safety award plaques, a long-standing tradition of the AMA.
- Annual AMA charter certificate.
- AMA-chartered club patches available only for purchase by chartered clubs.
- AMA Affiliate Program, where your organization can make money selling AMA memberships.
- A national set of rules and guidelines, such as the AMA Racing Rulebook, and the Recreational Riding Rulebook.
- Access to top-rated insurance that protects your organization. Options include \$1 million, \$2 million or \$5 million public/spectator and participant legal liability coverage.
- Your event listing published in *American Motorcyclist* magazine in the month it will be held. (Please have your sanction filed with the AMA 90 days before your event to ensure it makes the magazine.)
- Your organization's event listed on the [www.americanmotorcyclist.com](http://www.americanmotorcyclist.com).
- Reduced rates for advertising in *American Motorcyclist* magazine or the bi-weekly AMA E-Newsletter: AMA Extra.
- Access to event supplies, such as release and waiver forms, injury reports, referee and event reports and event responsibility posters.
- Discounts on scoring equipment and software for competition events.
- Valuable information available through the AMA Risk Management video.
- The AMA has a long history of welcoming all riders of all brands of motorcycles, and they know and expect a good time at AMA-sanctioned events.

# AMA Affiliate Program

The AMA Affiliate Program is a revenue-sharing program that pays your organization for every AMA membership it sells — be it a new or renewing member, online or on paper. The best part is, it's FREE.

**For every new member who signs up online, the AMA pays you \$5. For each renewing AMA member who signs up online, the AMA will pay your organization \$2.50.** For members who sign up at your event, the AMA will send you **\$2.50 for each new AMA member and \$1.25 for each renewing member.**

To take advantage of the AMA Affiliate Program, all you need is to be an AMA-chartered club or promoter in good standing. Contact [membership@ama-cycle.org](mailto:membership@ama-cycle.org).

## State Chapters

AMA State Chapters connect AMA members in each state with the goal of developing a community of riders, promoting AMA membership and engaging in government advocacy at the state and local levels.

Visit [americanmotorcyclist.com](http://americanmotorcyclist.com) > Volunteer > AMA State Chapters for details.

## EAGLES

Through AMA EAGLES, members learn more about the association and become better advocates, grassroots activists and membership promoters. AMA EAGLES is a series of educational training programs that empower AMA members with knowledge, tools and resources tailored to their interests.

After completing the programs, members will be able to promote the motorcycle lifestyle and protect the future of motorcycling in an even larger way.

Visit [americanmotorcyclist.com](http://americanmotorcyclist.com) > Volunteer > AMA EAGLES for more information.

## AMA Congress

The annual AMA Congress event is where AMA Competition Commission members consider and decide rules governing amateur motorcycle racing in the United States. AMA Recreational Riding representatives also meet during the event to create and modify rules and guidelines related to road riding, off-road riding, dual-sport and adventure riding events.

## Event Insurance

Organizers who sanction with the AMA receive access to top-rated, comprehensive event liability insurance at low rates. The AMA negotiates insurance rates with the AMA Preferred Insurance Provider. The AMA does not operate the insurance program, nor does it earn any money from the insurance premiums that AMA organizers pay. Insurance must be paid and approved at least 10 days prior to the sanctioned event.

## Rulebooks

AMA-sanctioned events are diverse, and the AMA has created rulebooks to help make the events fair, safe and fun for all AMA members.

To download the rulebooks, visit [www.americanmotorcyclist.com](http://www.americanmotorcyclist.com).
